

Welcome dear traveler!

So happy to see you at our doors, tired from a long road, with hungry eyes and bellies. For hundreds of years we have been welcoming pilgrims with soft sheets and invaders with hard steel. We can make you feel like a king or a queen. Like a gourmet or a connoisseur. Like a \*Purger.

We are the city of pigeons and alley cats. Of history, culture and subculture. Use this map to enjoy your stay and sample a little bit of everything Zagreb has to offer.

Make sure to revisit the wonderful city of Zagreb!

## PURGER

A native of Zagreb is called "Purger". But, not every dweller of Zagreb is a **Purger**. How do you recognize a purger? Well real Purger's love Zagreb more than anything and represent their city in the most profound manner. We are extra polite, with good manners and a certain charm. A real Purger will always help you out if you get lost or have a question. A Purger in need is a Purger indeed

## BEAUTIFUL WOMEN

Beautiful women in Zagreb are common like pigeons in Venice. Just taking a walk through the center will make you realize that. Young, old, small, big, skinny or thick, whatever your preference is, be sure that you will see beautiful women every 100m, especially during summer time. Heck, there's even a bunch of Croatian songs dedicated to **the beauties of Zagreb**. One of them goes "Ladies in summer dresses, I love" (Djevojke u ljetnim haljinama volim), youtube it!

## DRINK / MEAL INVITATION

If you invite someone for a drink or a meal, be sure to pay for that drink or meal. The rule is that if you invite someone, you have to pay. Nobody likes a cheapskate, girls pay drinks too. This is how we do it, because next time that person will invite you and pay for your meal or drink. **It's a bonding method!**

We adore coffee anytime, anywhere and in so many ways. Don't be like Italians, who are done in 5 minutes with their coffee — we need at least 50! Please don't offend our coffee having it "to go". Drinking it on your feet, in a rush, from a closed plastic cup is just horrible. You shouldn't ever be in a hurry while drinking coffee, not even if you are fashionably late. **Work will always be there, you don't have to chase it.** How to order coffee like a local?

**KRATKA** • means SHORT, which is a less fancy name for espresso. **/ PRODUZHENA** • coffee machine will stay on a bit longer, giving you watered down espresso, also called Americano. **KAVA S HLADNIM** • "coffee with cold" which means coffee with cold milk **/ KAVA S TOPLIM** • "coffee with warm", wait... can you believe it? — Coffee with hot milk. **/ KAVA SA ŠLAGOM** • coffee with whipped cream. We order this when we really want to drink coffee, but we are hungry a little too. **NESICA** • our way of saying instant coffee with flavors and although it was named after it, it isn't always a brand of Nescafe. If you say this to a waiter **THEN YOU ARE A TRUE LOCAL**, because only Purgers say it like this.
