Advent in Zagreb

Welcome to the most wonderful time of the year! Christmas is coming and people of Zagreb are getting ready for it. The most famous tradition is decorating the Christmas tree with family on Christmas eve, so you can put the presents underneath for the next morning. Or for the more impatient ones – for after midnight! One of the oldest traditions in giving presents is that in the past boys were giving a decorated apple to the girl they liked. Nowadays, things are very different, so here we give you some shops in Zagreb where you can search for the perfect gift.

And what is Christmas without good food and atmosphere? In Zagreb, people like to eat, and the traditional meal you can find on our kitchen table is turkey with mlinci (some kind of dough). Also we can't resist good old Makovnjača and Orahnjača cakes from our grandmas.

Besides the traditional locations for Advent in Zagreb (see the list), this year we have some new locations for Advent like park Maksimir with Zagreb ZOO, movie Advent in The passage of the sisters Baković and Old Tkalča where you can see traditional crafts and revive the spirit of the oldest Zagreb settlements of Gradec and Kaptol.

If you feel tired of all that walking through the city you can take the carriage ride. Perhaps grab some fritule with chocolate dip, glass of mulled wine, and you're good to go. For the youngest visitors there are creative workshops and beautiful ice park in Trg kralja Tomislava, which is also the most famous part of Zagreb's Advent.

Even though Zagreb can't compete in this years Best Advent in Europe award, because of winning it 3 years in a row, that didn't stop us to show you beauty and magic of Zagreb in this holly time.
