**GOSTIONICA KOD STAROG // THE OLD INN**

The Old Inn continues the 130-year tradition of a rural inn, which has been in the family heritage for the fifth generation. It was built in the center of Kumrovec on a road that was once traveled by peasants, traders and pilgrims on their way from western Croatia on their way to Slovenia and back. We believe that at least a short break on our terrace and a view of the museum "Staro selo Kumrovec" and the birthplace of Josip Broz Tito, which is across the street, will give you pleasure. With the characteristic tranquility provided by the location, you can enjoy local cuisine and other interesting activities according to your preferences.

Europa 92  
DENIM BAR

Although Zagreb has long been recognized as an attractive tourist destination, there are also other tourist destinations in the area that are worth seeing and visiting. We like to inform lovers of discovering new places about picnic areas, restaurants, rural households where they can enjoy nature and enchanting landscapes. Attractive and diverse environments, rich cultural and historical heritages, beautiful landscapes with an authentic touch of tradition are what you can expect if you go on a tour of the Zagreb area.

The city of Zagreb and its surroundings offer many places for walking, hiking, cycling, swimming, touring cultural sights and other attractions. The beautiful natural environment is the Zagrebačka gora Medvednica, a popular picnic spot for the people of Zagreb with its highest peak Sljeme and the medieval fortress Medvedgrad, which offers a beautiful view of the city.

Winding paths, beautiful hills, bike paths and forest roads make up the beautiful landscape of Hrvatsko Zagorje. Enjoy sightseeing of numerous castles, churches, museums and/or swimming in one of the many thermal spas.

Get to know the richness and value of the cultural heritage of the Zagreb area through the most valuable sacral buildings. As the most important sacral ensemble, we emphasize the Croatian National Shrine of Our Lady of Bistrica.

Vineyards and wine roads in the vicinity of Zagreb are located on the slopes of mountains and picturesque hills, and many family wineries offer visitors a tour and wine tasting.

The most famous picnic area near Zagreb is Samobor, a medieval baroque town located on the slopes of the Samobor hills. Samobor is a city with a rich gastronomic tradition and there are almost no tourists who have not tried the famous Samobor cream puffs. It is surrounded by the Žumberak Nature Park, which attracts many mountaineers and nature lovers.

If you want a peaceful vacation in nature and away from the hustle and bustle of the city, rural households and picnic areas in the vicinity of Zagreb offer you just that.
